# Unity Center of Peace This Sunday:

Community Meeting 'Council Circle'  
&  
Potluck Lunch  
Following the Service.

Come join in our "Council Circle", a process of really sharing what's on our hearts, relative to this community. This is an opportunity to really listen & be heard, or just listen & be silent. Talking is never a requirement, as listening is the essence of Council Circle. Our Community Meetings occur monthly, on the second Sunday of each month. We hold Council Circles occasionally as the format for these meetings.
