

## PLEDGE TO BIRTH A GREATER REALITY

*April 20<sup>th</sup>, 2025*

As a conscious evolutionary, I am stepping into a new dimension of my life: The universe is now consciously evolving through me. The divine pattern within my soul is being activated through my heart's deepest desire. Pregnant with the potential of a greater reality, I am about to make a quantum leap in fulfilling my purpose in this life, which is to become a fully conscious expression of the One Presence.
