

## O' Cosmic Birther

*Rev. Victoria Loveland-Coen, December 7th, 2025*

Here is one possible Aramaic version of the Lord's Prayer, which Douglas-Klotz calls a "cleansing prayer" to help us connect with our Divine essence, and to what's really important. Aramaic was the language Yeshua spoke and taught. Take your time as you read it aloud and let the words vibrate in your body.

O' Cosmic Birther of all radiance and vibration.

Soften the ground of my being and carve out a space where your presence can abide.

From this Divine Union let us birth new images for a new world of peace.

As we find your love in ours, let heaven and nature form a new creation.

Grant what we need each day in bread and insight: subsistence for the call of growing light.

Loose the chords of mistakes binding us as we release the strands of others' mistakes.

Do not let us enter forgetfulness, the temptation of false appearances.

Truly – power to these statements – may they be the ground from which all my actions grow.

Amen.
